Social Media Do’s and Don’ts

✅ **Do’s**

- Maintain a professional and respectful tone in all posts
- Verify information before sharing it online
- Use privacy settings to protect your personal data
- Share positive content such as achievements and learning
- Think before posting to ensure it reflects your personality well

❌ **Don’ts**

- Do not share sensitive personal information (OTP, passwords, etc.)
- Avoid posting offensive, abusive, or inappropriate content
- Do not engage in online arguments or trolling
- Avoid spreading fake news or unverified information
- Do not use social media irresponsibly in a way that harms your reputation
